Our Company

G Holdings Co., Ltd was establish in 2009 by Miss Lim Jin Ai, Mr. Jimmy Lim, and Miss Bianca N Moeis. Miss Lim Jin Ai started with the brand GOODWOOD in 1994 a furniture manufacture specialize in customize design furniture, gardually develop into a renovation company. As market mature and seasoned, demand for design services is inevitable profound, as the market leader we saw the opportunity to create GW DESIGN STUDIO in 2004 to capture the bullish market which compliment to our existing brand GOODWOOD. As time grows we gain much experience and expeertise reflected in our diverse project portfolio, we proudly announce till to date we are still one of the market leader in Cambodia in furniture manufacturing, renovation and architecture interior design consultant.

Mission

Every client needs and expectations are always unique and challenging. we will always push our limit to assist and guide our client through out selection of the key elements, our approach start from budget requirement, unique concept, target market, investment timeline, with diversity in solutions and fast to adapt to the changing requirements of clients regardless of the nature of thier projects.

Our experience through out these years have expanded our knowledge, we will continue to set the level in providing services in buiding industry in Cambodia and neighbouring countries.

Philosophy

“Design” is a VISION create by “Architect” to enhance how we improve our ways of living. We always push the boundaries of design to INSPIRE ones live in solving complex issues, with introducing new innovations and solutions. At the last process we arrive at the stage where design is being IMPLEMENT that shape the environment that will be a significant influence on others perception in viewing and wanting to elevate ones way of living.

“Your best work is your expresion of yourself. Now, you may not be the greatest at it, but when you do it, you’re the only expert” - Frank Gery
